Welcome to Quarry House

Opened in 2016, Quarry House is a modern home with a real sense of community. You'll find us tucked away in a quiet residential area, in the Bristol suburb of Fishponds. We're within easy reach of bustling Fishponds Road and all its amenities.

There are 65 individual rooms here, each with its own state-of-the-art en-suite. You'll also have access to a lounge and dining area, which are light, bright and beautifully decorated, with a warm, cosy ambience to make you feel right at home.

From the moment you arrive, we're here to help you settle in. From day one, our friendly team are focused on looking after you and meeting your needs. Whenever you're ready, you're welcome to get involved in our activities. Whether you love gardening, music or day-tripping, there's something for everyone, and something different every day.

We give residents a choice about what activities we offer at Quarry House, and always take their feedback on board and respect their wishes. We're very family orientated here and it's such a lovely, friendly place. ”

What makes Quarry House special?

YOUR NEEDS COME FIRST, ALWAYS

Our caring, passionate team make your needs their absolute priority. Led by our nurse managers, and team leaders, you'll be in safe hands with our trained professionals – from our nurses and carers, to our physiotherapist, podiatrist and hairdresser. Meanwhile, our catering, maintenance, domestic and finance teams are here to take care of your practical needs.

We're here for you when you need us. Moving into a care home can be an emotional time for everyone. That's why we offer support for family members – you can call on us for help and advice at any time.

IT'S A THRIVING COMMUNITY

There's always something going on here, and you can get involved in as many activities as you like. Gardening groups, art sessions, singalongs, dance performances, sensory sessions and more – there's plenty of choice. We even have our very own pop-up pub and train carriage.

We collaborate with a range of external partners and specialists to offer enriching activities for our residents, including:

- Spike Island Artists: Delivering engaging and creative workshops across our homes every month.
- Alzheimer's Society: Hosting 'Singing for the Brain' sessions twice a month, promoting memory stimulation through music.
- Alive Activities: Providing vibrant in-house activities, a gardening club, and access to a community allotment in Brentry, encouraging physical activity and social connection.
- Creature Cuddles & Pet Therapy: Offering animal handling experiences and pet therapy sessions for sensory stimulation and emotional well-being.
- Intergenerational Projects: Facilitating ongoing collaborations with local schools and nurseries, fostering meaningful connections between generations.

Getting out and about on daytrips is part of life at Quarry House – and we're proud to have our own fully equipped minibus. Our residents enjoy going to restaurants and cafés in the local areas, as well as trips to the seaside in Weston-Super-Mare and exploring Aerospace Bristol. Trips are provided at no extra cost.

Unique to our care homes, we also have a wheelchair car – which families can use to go shopping, visit friends or go out for a drive. This service is completely free of charge.

A PLACE WHERE YOU FEEL AT HOME

Your own private room features plenty of home comforts – from a TV/DVD player and Wi-Fi internet connection, to a personal phone line. You'll also have our secluded communal garden right on your doorstep, where you can find peace and quiet listening to the babbling brook and birdsong. Keep your eyes peeled for squirrels and ducks, too.

Home-cooked food is the order of the day here, thanks to our expert chefs. Every meal you choose from our menu is freshly prepared to order using high-quality ingredients. And we source local produce wherever possible, like our eggs, which come from a nearby farm.

Remember, your family and friends are always welcome. This is your home, and they can visit day or night, for as long as they wish.

You'll enjoy our fresh, creative design scheme developed by local specialist consultants Pace. Each of the 4 floors has its own theme - Garden, Meadow, Ocean and Sky.

The stunning murals on the landings and corridors are based on the themes, and support orientation and recognition.

This is our unique and innovative approach to creating a dementia-friendly environment, making our residents feel more at home.

- Ever-changing menus. Our professional chefs create a daily choice of tasty meals, which change every day. If you have any special requests, all you need to do is ask. We can cater for all dietary requirements.
- High-tech facilities. You'll have access to a state-of-the-art bath or walk-in shower, ensuring you enjoy the ultimate comfort.
- We respond to feedback. You're the best people to tell us how we're doing, so we're always asking residents and their families what they think.
- Wheelchairs are provided. As well as access to our modern fleet, we provide a customised Action 3 wheelchair for residents who rely on a wheelchair – at no extra cost.

Whatever you want, we've got the perfect location. Our homes are all fitted with 24/7 air ventilation systems to ensure a fresh atmosphere at all times.

OUR LIFESTYLE

There's always lots going on and we lay on a range of activities at each of our homes, with the option to join in as much or as little as you want. Whether you would like to get involved with a craft session or would prefer to sit and read a book instead, the choice is there! We provide free regular minibus trips, and each home has a single wheelchair car which is available at no cost to residents' families.
