ALMONDSBURY

A home of Bristol Care Homes

Providing top quality, best value, holistic care

A photograph of two women in a craft room. The woman on the left has blonde hair and is wearing a blue top. The woman on the right has white hair and is wearing a white zip-up top. They are both smiling. In the background, there are shelves with various craft supplies. In the foreground, a watercolor palette and a paintbrush are visible on a table.

“

The home is in a beautiful setting and the staff are extremely kind. They make sure I'm all right, but they have also allowed me to live my own life. I like going out on trips and enjoy having meals in my room too. I would definitely recommend Glebe House – it's very comfortable here. ”

Mavis, resident

Welcome to Glebe House

Opened in 1996, Glebe House is a country home in Almondsbury with a real sense of community. Make your way along our private drive and you'll find us in a tranquil setting, surrounded by rolling countryside. Once the Old Vicarage, this beautiful Victorian building is still brimming with period character – from the stained glass window in the foyer to the large windows that let the light flood in.

There are 46 beautifully decorated rooms here, most with their own en-suite. The lounges are warm and bright too, affording panoramic views over the newly landscaped grounds, the Severn Estuary and beyond. We also overlook the local church, and the popular Bowl Inn is within easy reach.

From the moment you arrive, we're here to help you settle in. From day one, our friendly team are focused on looking after you and meeting your needs. Whenever you're ready, you're welcome to get involved in our activities. Whether you love gardening, music or day-tripping, there's something for everyone, and something different every day.

“

We are proud to offer the very best care at Glebe House, and the activities that are offered are based on what residents are able to do. All of the staff are also really friendly and approachable. ”

Thea, member of staff

What makes Glebe House special?

YOUR NEEDS COME FIRST, ALWAYS

Our caring, passionate team make your needs their priority. Some of our staff have been with us for over 20 years, and you'll be in safe hands with all our trained professionals – from our nurse manager, team leaders, nurses and carers, to our physiotherapist, podiatrist and hairdresser. Meanwhile, our catering, maintenance, domestic and finance teams are here to take care of your practical needs.

We're here for you when you need us. Moving into a care home can be an emotional time for everyone. That's why we offer support for family members – you can call on us for help and advice at any time.

IT'S A THRIVING COMMUNITY

There's always something going on here, and you can get involved in as many activities as you like. Gardening groups, art sessions, singalongs, dance performances, sensory sessions and more. There's plenty of choice throughout the year. In summer, you can enjoy cream teas out in the garden. When the festive season rolls around, we even have our own Christmas grotto and winter wonderland.

We collaborate with a range of external partners and specialists to offer enriching activities for our residents, including:

- Spike Island Artists: Delivering engaging and creative workshops across our homes every month.
- Alzheimer's Society: Hosting 'Singing for the Brain' sessions twice a month, promoting memory stimulation through music.
- Alive Activities: Providing vibrant in-house activities, a gardening club, and access to a community allotment in Brentry, encouraging physical activity and social connection.
- Creature Cuddles & Pet Therapy: Offering animal handling experiences and pet therapy sessions for sensory stimulation and emotional well-being.

- Intergenerational Projects: Facilitating ongoing collaborations with local schools and nurseries, fostering meaningful connections between generations.

Getting out and about on daytrips is part of life at Glebe House – and we're proud to have our own fully equipped minibus. Our residents enjoy regular outings to cafés and pubs in the local area, as well as nearby garden centres and shopping centres. Trips are provided at no extra cost.

Unique to our care homes, we also have a wheelchair car – which families can use to go shopping, visit friends or go out for a drive. This service is completely free of charge.

A PLACE WHERE YOU FEEL AT HOME

Your own private room features plenty of home comforts – from a TV/DVD player and Wi-Fi internet connection, to a personal phone line. Step outside into the stunning grounds and you'll find a freshly planted patio garden, colourful flower beds and plenty of greenery. It's a peaceful spot to sit and admire the views on a sunny day – and even though you're just a few steps from the village, you'll feel like you're miles from anywhere.

Home-cooked food is the order of the day here, thanks to our expert chefs. Every meal you choose from our menu is freshly prepared to order using high-quality ingredients. We source local produce wherever possible. When it comes to deciding where to eat, the choice is yours – feel free to stay in your room, or come and join your fellow residents in the spacious dining room.

Remember, your family and friends are always welcome. This is your home, and they can visit day or night, for as long as they wish.

- High-tech facilities. You'll have access to a state-of-the-art bath or walk-in shower, ensuring you enjoy the ultimate comfort.
- We respond to feedback. You're the best people to tell us how we're doing, so we're always asking residents and their families what they think.
- Wheelchairs are provided. As well as access to our modern fleet, we provide a customised Action 3 wheelchair for residents who rely on a wheelchair – at no extra cost.

OUR HOMES

Each of our homes is different, whether that be in setting or character, meaning that there is an option for everyone's needs. That could be the idyllic peace and tranquillity of the countryside, a bustling residential area with shops on their doorstep, or a combination of the two. Whatever you want, we've got the perfect location. Our homes are all fitted with 24/7 air ventilation systems to ensure a fresh atmosphere at all times.

OUR LIFESTYLE

There's always lots going on and we lay on a range of activities at each of our homes, with the option to join in as much or as little as you want. Whether you would like to get involved with a craft session or would prefer to sit and read a book instead, the choice is there! We provide free regular minibus trips, and each home has a single wheelchair car which is available at no cost to residents' families.

Hello,
dear friend!

Welcome to our December edition!

As winter settles in and the days grow colder, our hearts grow warmer with excitement for the joyful activities we have planned. This month is filled with something for everyone – from carol services, Christmas shows and seasonal entertainment to festive arts and crafts, day trips, mince pies, mulled wine, bedside entertainment, and special visits from children spreading Christmas cheer.

December is a special time to create and share cherished memories with your family, friends, and fellow residents.

“At Bristol Care Homes this Christmas tide,

Joy and warmth flow far and wide;

With twinkling lights and hearts aglow,

We send our love through winter’s snow.

May peace and laughter softly creep,

And blessings hold you warm and deep;

This festive season, bright and true,

Brings cheer from us to all of you”

We would like to take this opportunity to wish all our wonderful residents, their families and friends, our amazing staff, and all visitors a very Merry Christmas and a Happy New Year.

We look forward to spending a wonderful month with you all!

Meet the team

Brooke - Carer

Hello!

I've been part of the Glebe House family for just over a year now. Before joining the team, I spent ten incredible years as a flight attendant with Virgin Atlantic, travelling the world and meeting people from all walks of life. After that, I moved into private aviation for three years, providing a bespoke level of service to high-profile clients and managing every detail of their flying experience.

What I loved most about those roles wasn't the travel or the glamour — it was caring for people. Making them feel comfortable, safe, and valued was always the highlight of my day.

Over time, I realised I wanted to make a difference in a more personal and lasting way. Becoming a carer felt like the perfect next step. It allows me to use those same skills — empathy, patience, and attention to detail — but

in a setting where I can truly build relationships and see the positive impact of what I do every day.

Helping residents feel happy and supported gives me a real sense of purpose and fulfilment. Outside of work, life is just as busy! I have two wonderful children who keep me on my toes. I love travelling and going to the theatre whenever I can, and on Thursdays you'll find me at book club with my colleague Sue — it's such a lovely way to unwind.

Every conversation is a reminder of how much wisdom and resilience they hold. It's a privilege to bring comfort, laughter, and companionship to their days.

Families can rest assured their loved ones are always in caring and trustworthy hands.
