## Welcome to Quarry House

Opened in 2016, Quarry House is a modern home with a real sense of community. You'll find us tucked away in a quiet residential area, in the Bristol suburb of Fishponds. We're within easy reach of bustling Fishponds Road and all its amenities.

There are 65 individual rooms here, each with its own state-of-the-art en-suite. You'll also have access to a lounge and dining area, which are light, bright and beautifully decorated, with a warm, cosy ambience to make you feel right at home.

From the moment you arrive, we're here to help you settle in. From day one, our friendly team are focused on looking after you and meeting your needs. Whenever you're ready, you're welcome to get involved in our activities. Whether you love gardening, music or day-tripping, there's something for everyone, and something different every day.

We give residents a choice about what activities we offer at Quarry House, and always take their feedback on board and respect their wishes. We're very family orientated here and it's such a lovely, friendly place. ”

# What makes Quarry House special?

## YOUR NEEDS COME FIRST, ALWAYS

Our caring, passionate team make your needs their absolute priority. Led by our nurse managers, and team leaders, you'll be in safe hands with our trained professionals – from our nurses and carers, to our physiotherapist, podiatrist and hairdresser. Meanwhile, our catering, maintenance, domestic and finance teams are here to take care of your practical needs.

We're here for you when you need us. Moving into a care home can be an emotional time for everyone. That's why we offer support for family members – you can call on us for help and advice at any time.

## IT'S A THRIVING COMMUNITY

There's always something going on here, and you can get involved in as many activities as you like. Gardening groups, art sessions, singalongs, dance performances, sensory sessions and more – there's plenty of choice. We even have our very own pop-up pub and train carriage.

We collaborate with a range of external partners and specialists to offer enriching activities for our residents, including:

- Spike Island Artists: Delivering engaging and creative workshops across our homes every month.
- Alzheimer's Society: Hosting 'Singing for the Brain' sessions twice a month, promoting memory stimulation through music.
- Alive Activities: Providing vibrant in-house activities, a gardening club, and access to a community allotment in Brentry, encouraging physical activity and social connection.
- Creature Cuddles & Pet Therapy: Offering animal handling experiences and pet therapy sessions for sensory stimulation and emotional well-being.
- Intergenerational Projects: Facilitating ongoing collaborations with local schools and nurseries, fostering meaningful connections between generations.

Getting out and about on daytrips is part of life at Quarry House – and we're proud to have our own fully equipped minibus. Our residents enjoy going to restaurants and cafés in the local areas, as well as trips to the seaside in Weston-Super-Mare and exploring Aerospace Bristol. Trips are provided at no extra cost.

Unique to our care homes, we also have a wheelchair car – which families can use to go shopping, visit friends or go out for a drive. This service is completely free of charge.

## A PLACE WHERE YOU FEEL AT HOME

Your own private room features plenty of home comforts – from a TV/DVD player and Wi-Fi internet connection, to a personal phone line. You'll also have our secluded communal garden right on your doorstep, where you can find peace and quiet listening to the babbling brook and birdsong. Keep your eyes peeled for squirrels and ducks, too.

Home-cooked food is the order of the day here, thanks to our expert chefs. Every meal you choose from our menu is freshly prepared to order using high-quality ingredients. And we source local produce wherever possible, like our eggs, which come from a nearby farm.

Remember, your family and friends are always welcome. This is your home, and they can visit day or night, for as long as they wish.

You'll enjoy our fresh, creative design scheme developed by local specialist consultants Pace. Each of the 4 floors has its own theme - Garden, Meadow, Ocean and Sky.

The stunning murals on the landings and corridors are based on the themes, and support orientation and recognition.

This is our unique and innovative approach to creating a dementia-friendly environment, making our residents feel more at home.

# A small group of quality care homes

## OUR VISION AND PHILOSOPHY

Quarry House is part of Bristol Care Homes, a group of homes in the Bristol and South Gloucestershire area.

Our mission statement is to provide the highest quality holistic care at fees which are the best value for money.

We welcome both residents and their families, offering them a real home from home.

## TRUST US TO PROVIDE UNIQUE CARE

- Expect the highest standards of clinical care. Our nurses and qualified carers treat everyone as an individual, and your care is tailored to you.
- Care plans are fully computerised. This ensures we know exactly what you need, provides an accurate record of your care history, and enables us to plan for the future.
- Ever-changing menus. Our professional chefs create a daily choice of tasty meals, which change every day. If you have any special requests, all you need to do is ask. We can cater for all dietary requirements.
- High-tech facilities. You'll have access to a state-of-the-art bath or walk-in shower, ensuring you enjoy the ultimate comfort.
- We respond to feedback. You're the best people to tell us how we're doing, so we're always asking residents and their families what they think.
- Wheelchairs are provided. As well as access to our modern fleet, we provide a customised Action 3 wheelchair for residents who rely on a wheelchair – at no extra cost.

## OUR HOMES

Each of our homes is different, whether that be in setting or character, meaning that there is an option for everyone's needs. That could be the idyllic peace and tranquillity of the countryside, a bustling residential area with shops on their doorstep, or a combination of the two. Whatever you want, we've got the perfect location. Our homes are all fitted with 24/7 air ventilation systems to ensure a fresh atmosphere at all times.

## OUR LIFESTYLE

There's always lots going on and we lay on a range of activities at each of our homes, with the option to join in as much or as little as you want. Whether you would like to get involved with a craft session or would prefer to sit and read a book instead, the choice is there! We provide free regular minibus trips, and each home has a single wheelchair car which is available at no cost to residents' families.

## Field House, Horfield

Field House is situated at the end of a quiet residential lane, in the suburban area of Horfield. You can make the most of a peaceful location but you're only a short stroll away from local amenities.

Opened in 2002, this is a modern home with a real sense of community. Residents' rooms are decorated to a high standard, with Laura Ashley wallpaper, for a truly homely finish. Every room comes with its own en-suite facility, and access to a cosy lounge and dining area. Plus, there's a charming inner courtyard with a beautiful fountain for you to enjoy.

### Field House

## Glebe House, Almondsbury

Glebe House is a country home in Almondsbury, with real character. Make your way along our private drive and you'll find us in a tranquil setting – surrounded by rolling countryside.

First opened in 1996, this was once the Old Vicarage. This beautiful Victorian building is still brimming with period character – from the stunning stained glass window in the foyer to the large windows that let the light flood in. Every individual room has been decorated to a high standard, while the warm, inviting lounges have panoramic views over the newly landscaped grounds, the Severn Estuary and beyond.

### Glebe House

## Beech House, Thornbury

Opened in 2000, you'll find Beech House right in the heart of Thornbury, tucked away down a quiet residential close – but within easy reach of the bustling high street.

Behind the grand, period-style frontage, there's a welcoming, purpose-built space designed to meet your needs. Every resident's room features contemporary décor with en-suite facilities. Wherever you go, it's bright and spacious, from the open corridors to the communal spaces. The newly decorated conservatory and award-winning garden are truly special.

**We look forward to spending a wonderful month with you all!**

# Meet the team

*Connie* - Team Leader

Hello !

I am a qualified nurse from the Philippines, where I gained extensive experience working across various departments within the healthcare sector. This exposure gave me valuable insight into the challenges and needs of patients, which inspired my passion for caring for others.

I moved to the United Kingdom in 2006 and have been part of Bristol Care Homes since 2016. In my current role as Team Leader, I am responsible for administering medication, carrying out minor dressings, and ensuring the overall well-being of our residents. I also support carers in their duties and work closely with nurses, particularly during new admissions, to ensure care plans are accurately developed and implemented. I take pride in assisting

my colleagues, wherever possible.

Outside of work, I am a proud mother of three children—my daughter lives in the United States, while my two sons are based here in the UK.

Family is incredibly important to me, and I cherish every moment spent with them. I truly enjoy working at Bristol Care Homes. I find great fulfilment in engaging with our residents and collaborating with a dedicated, compassionate team.

The supportive environment created by the management makes a real difference—I feel my voice is heard and valued. Their encouragement and understanding have been instrumental in my professional journey. In my spare time, I enjoy shopping and going on holiday. I am grateful to be part of such a caring and collaborative workplace.
