to Willow Brook with
lunch**

THURSDAY 11TH

**All residents' to
choose a team**

MONDAY 29TH

**Day trip to The Wave
with picnic lunch**

Hello,
dear friend!

We welcome you to our June edition.

Our June Summer Calendar, is filled with fun, vibrant and exciting events, activities within the home, and enjoyable day trips.

If you are new to the home, we would like to extend a very warm welcome. We hope you will settle in happily and feel truly at home with us.

Our activities are not only about keeping busy, but also about supporting overall wellbeing. The more our care team learns about each resident—their interests, hobbies and daily preferences—the more personalised and meaningful our activities can become. We always welcome ideas and support from family members to help us create enriching experiences for everyone.

A special highlight this month is the Annual Care Concert at Bristol Beacon on Tuesday 16th June. This wonderful event brings residents, families and friends together to celebrate life through music.

We are delighted that the Aurora Orchestra will be performing Mozart's Jupiter Symphony. Aurora is a unique orchestra that performs from memory rather than using sheet music, allowing musicians to move freely among the audience and create a truly immersive and memorable experience. They are also widely recognised for their performances at the annual BBC Proms.

We also look forward to welcoming you to the Quarry House Summer Fayre on Saturday 27th June, from 1:30pm to 4:00pm—a fantastic opportunity to come together, enjoy the summer atmosphere and create special memories.

We hope this month's events bring you happiness, joy and many wonderful moments.

We wish you a fantastic time.

Meet the team

Juliann - Nurse

Hello!

I have been living in the UK for almost five years, having moved from Barbados. I am a trained general nurse with experience in oncology, haematology and general nursing, and I began my UK career at St George's Hospital in London, where I developed a strong passion for patient care and continuous learning.

During my time there, I was honoured to receive recognition from the Royal College of Nursing after being nominated as one of the most promising nurses. This reflected my commitment to supporting and guiding others who are looking to build their nursing careers in the UK.

My passion for caring for others began at a young age after losing my mother and being raised by

my grandmother. This experience shaped my compassionate approach and inspired me to work with older people. I take great pride in ensuring residents feel safe, respected and well cared for, while building meaningful relationships and supporting their overall wellbeing.

Outside of work, I enjoy attending church, where I am actively involved, as well as organising events, being creative with arts and crafts, cooking, and spending time with my family. Although I initially had a challenging experience working in a care home, joining Bristol Care Homes completely changed my perspective. From the start, I felt welcomed and supported, and I am proud to be part of such a caring and dedicated team. supported. I am truly grateful to be part of such a caring team.
