Hello, dear friend!

Welcome to our sporty and fun July edition!

We hope you are having a wonderful summer so far and have managed to enjoy some sunshine along the way.

Many of you may have been following the World Cup throughout June, and with the final fast approaching, the excitement is building. Will England have what it takes to go all the way? Time will tell!

If you're a sports fan, Wimbledon returns this month, bringing two weeks of world-class tennis and plenty of memorable moments. For those who enjoy entertainment and live music, the BBC Proms also begin in July. If you would like to listen, please speak to a member of staff who will be happy to help you tune in.

Quarry House got the summer celebrations off to a fantastic start with its Summer Fair in June. Now we have two more wonderful events for you, your family, and friends to enjoy: Glebe House on Saturday 18th July and Beech House on Saturday 25th July.

We wish you a happy, enjoyable, and memorable month ahead.

Meet the team

Carly - Minibus Driver

Hello!!!

I'm, a minibus driver for Glebe and Beech. I've recently come back to work after maternity leave with my son, Ceejay, who's now 1 year old. I've been driving minibuses for 10 years – it honestly feels like only yesterday I passed my test. I know what you're thinking... I don't look old enough! I get that all the time – must be my mum's good genes!

In my spare time – what spare time? I'm a mum now! I spend most of my time with Ceejay and my partner, Jamie, just watching him grow up far too quickly. I absolutely love being a mum and making memories with my little family.

I've worked for Bristol Care Homes since 2021 and I love taking residents out on meaningful trips – whether it's revisiting places they know or trying something

completely new. Seeing people happy and enjoying themselves means everything to me.

One of my favourite trips has to be ice skating. The looks we get when we say we're taking residents ice skating in wheelchairs are priceless – but it's such an amazing experience, especially for those who've never done it before.

For me, it's all about helping people stay active and get out into the community, and I enjoy every minute of it. Even though I now only work two days a week, I still give it my all.

My motto is: life's too short – buy the outfit, eat the cake and try something new. And don't forget to take lots of photos... they're memories that last forever!
