Hello,
dear friends!

Welcome to our sporty and fun July edition!

We hope you are having a wonderful summer so far and have managed to enjoy some sunshine along the way.

Many of you may have been following the World Cup throughout June, and with the final fast approaching, the excitement is building. Will England have what it takes to go all the way? Time will tell!

If you're a sports fan, Wimbledon returns this month, bringing two weeks of world-class tennis and plenty of memorable moments. For those who enjoy entertainment and live music, the BBC Proms also begin in July. If you would like to listen, please speak to a member of staff who will be happy to help you tune in.

Quarry House got the summer celebrations off to a fantastic start with its Summer Fair in June. Now we have two more wonderful events for you, your family, and friends to enjoy: Glebe House on Saturday 18th July and Beech House on Saturday 25th July.

We wish you a happy, enjoyable, and memorable month ahead.

Meet the team

Alex - Nurse

Hello!!!

I've been part of Quarry House Care Home for 10 years now, and I currently work as a qualified nurse on the Sky Unit. I actually started here as a Team Leader on Garden Floor before training as a nurse and progressing into the role I'm in today.

I'm also a proud mum to two boys, so life is always busy! When I'm not at work, you'll usually find me outdoors on long walks, enjoying a bit of peace and fresh air.

My passion for care started when I lived with my grandparents – I loved looking after them, and that's where I learnt just how important kindness, patience, and empathy are. Since then, I've also worked with people with learning disabilities, which has helped shape my person-centred approach.

What I love most about my job is building relationships with residents and their families. It's so rewarding to know you've made someone's day a little better, whether that's through nursing care or simply taking the time to listen.

After 10 years, some of my favourite moments are just seeing residents happy and comfortable, or hearing kind feedback from families.

I always try to treat every resident the way I would my own loved ones: with dignity, respect, and genuine care. That's something I truly believe in.

I enjoy working for Bristol Care Homes because it's such a supportive place where both residents and staff are valued. After all this time, I still feel proud to be part of the team and I'm excited to continue growing here.
