pianist Kate

SUNDAY 13TH

Day trip with Jeremy
of residents' choice

MONDAY 28TH

Day trip to the
Botanical Gardens

Hello,
dear friends!

Welcome to our September edition!

Our September Activities Calendar, filled with warm, cosy, and sensory activities as we gently move from the end of summer into the beautiful autumn season. We hope you have all enjoyed the lovely sunshine and warm weather we have been lucky to have this summer.

This booklet highlights our main activities, all planned around our residents' interests, hobbies, and suggestions. We hope it helps you and your family plan the activities you would like to join.

Alongside the activities listed, there are many more taking place every day. These are often spontaneous or one-to-one sessions, especially for residents who prefer to stay in their rooms or remain in bed. We always welcome your feedback and ideas. If you have a suggestion for an activity or event you would like us to try, please complete the feedback slip at the back of this booklet.

Each month you'll find a variety of themed activities, international and awareness events, community visits, day trips, religious services, live entertainment, and more.

On Saturday 5th September, we will be holding our final Summer Fair of 2026 at Field House, from 2.00pm onwards. We'd love you to join us with your family and friends for an afternoon of live entertainment, stalls, games, refreshments, and lots of fun.

We hope you have a wonderful month ahead.

Meet the team

Brody - Domestic Assistant

Hello!!!

I'm 21 years old and originally from the Isle of Wight, but I moved to Bristol to study for my Law degree. Alongside my studies, I work part-time as a Domestic Assistant at Field House.

One of my housemates works as a carer at Quarry House and often told me what a great place Bristol Care Homes is to work. He spoke about the friendly atmosphere, the supportive staff, and the opportunity to meet and get to know residents. That really appealed to me. Although there is a big age difference between me and many of the residents, I saw it as a chance to learn from their life experiences, improve my communication skills, and hopefully make a positive difference in their lives.

My role is to make sure the home is clean, safe, and welcoming for everyone. I take pride in ensuring that everything is cleaned using the correct products and procedures to

help prevent infection and maintain a comfortable environment for residents.

I enjoy most about my job is spending time around the residents and staff. Some of the residents remind me of my grandparents, and I genuinely enjoy chatting with them and hearing their stories.

Outside of work and university, I enjoy reading, going on long walks, spending time with friends, and socialising.

What I love most about working in care is the opportunity to make a difference in someone's day.

I've worked at Glebe House, Quarry House, and now Field House, and I can honestly say that Bristol Care Homes is a fantastic organisation to work for. The teams are supportive, people listen to you, and there's a real sense of belonging. It truly feels like a home away from home.

TUESDAY 1ST

10:30am

Social engagements
Rooms
