Hello,  
dear friends!

## Welcome to our September edition!

Our September Activities Calendar, filled with warm, cosy, and sensory activities as we gently move from the end of summer into the beautiful autumn season. We hope you have all enjoyed the lovely sunshine and warm weather we have been lucky to have this summer.

This booklet highlights our main activities, all planned around our residents' interests, hobbies, and suggestions. We hope it helps you and your family plan the activities you would like to join.

Alongside the activities listed, there are many more taking place every day. These are often spontaneous or one-to-one sessions, especially for residents who prefer to stay in their rooms or remain in bed. We always welcome your feedback and ideas. If you have a suggestion for an activity or event you would like us to try, please complete the feedback slip at the back of this booklet.

Each month you'll find a variety of themed activities, international and awareness events, community visits, day trips, religious services, live entertainment, and more.

On Saturday 5th September, we will be holding our final Summer Fair of 2026 at Field House, from 2.00pm onwards. We'd love you to join us with your family and friends for an afternoon of live entertainment, stalls, games, refreshments, and lots of fun.

*We hope you have a wonderful month ahead.*

# Meet the team

**LUKE** - Operations Manager

Hello!

I have been part of Glebe House for the past six years, overseeing the day-to-day operations and ensuring everything runs smoothly for both residents and staff. Living in Bristol with my wife and son, I understand how important it is to create a caring and supportive environment where people feel at home.

Supporting others and making a positive difference in people's lives is what I enjoy most about my role. Every day, I work behind the scenes to ensure operations run seamlessly, helping the team provide the highest standards of care without interruption.

No two days are ever the same, and that is something I really enjoy. Whether it's solving a problem, supporting a colleague or making sure an important task is completed, I take pride in helping everything run efficiently and effectively.

Building positive relationships with residents and their families is a rewarding part of my role. Seeing residents happy, comfortable and well cared for reminds me why I chose to work in care and motivates me to give my best every day.

Outside of work, I enjoy spending time in nature, visiting new places, making memories with my son and relaxing with a game on the Xbox.

I also enjoy exploring different locations and experiencing new things with my family. These moments help me recharge and bring a positive outlook to my work.

What makes Bristol Care Homes special is the genuine care shown to both residents and employees. The support, respect and sense of community throughout the organisation make it a wonderful place to work.
