Bristol Care Homes

NOVEMBER 2026

# Hello, dear friend!

## Welcome to our November edition!

As the days grow colder and autumn's beauty continues to surround us, it's the perfect time to enjoy the warmth and comfort of our homes while taking in the changing scenery. We're delighted to bring you another wonderful selection of activities this month, thoughtfully planned to embrace the season.

November is a month filled with moments to remember and celebrate, from the sparkle of Bonfire Night and its colourful fireworks to the reflection of Remembrance Day and the traditions of St Andrew's Day.

Although our day trips may change with the seasons, there's still plenty to look forward to! From garden centres and museums to restaurants, local landmarks and other places of interest, our outings continue to be inspired by the wishes and suggestions of our residents.

It's hard to believe we're approaching the end of another year, with preparations for the festive season just around the corner. We warmly encourage residents, families and friends to share their ideas at our monthly residents' meetings, with dates listed in the calendar. Your suggestions and feedback are invaluable in helping us create meaningful experiences, happy memories, and activities that everyone can enjoy together.

**We look forward to spending a wonderful month with you all!**

# Meet the team

## Vicki - Senior Carer

Hello!

I've worked in care for over 20 years, and caring has always been a big part of my life. My mum, nan and sister have all worked in the care sector, which inspired me to follow the same path. After completing three years of Health and Social Care studies and gaining experience in care settings, I knew this was the career for me.

Before joining care, I worked in catering for a short time, but I soon realised my passion was supporting others. I've been part of the Field House team for the past three years and live locally. Bristol Care Homes has supported me in completing my Level 3 qualification, helping me continue to develop professionally.

What I love most about my role is bringing a smile to someone's face and knowing I've made a positive difference to their day. As a Senior Carer, I help ensure our residents are safe, happy and receive the highest standard of care.

No two days are the same, and I really enjoy meeting different people, building relationships and being part of a team that genuinely cares.

Outside of work, I enjoy travelling, reading and listening to music. I've been with my boyfriend for nine years, and we're currently saving for our future together.

Bristol Care Homes is a fantastic company to work for. The support from the management team, nurses and colleagues is wonderful, and I really value the opportunities the organisation provides for personal and professional development.
